

## Senate-House Group Can't Agree On Rents

### One Word Separates Two Bills

Washington, March 26—(AP)—Senate-House conferees on rent legislation deadlocked tonight over what to do about rent increases.

The conference committee trying to iron out differences between the house and senate bills broke up after more than seven hours of trying to reach an agreement.

The present rent law expires next Thursday, March 31.

**Rejects Compromise**

Senator Sparkman (D-Ala.) told a news conference the House conferees rejected a compromise proposal advanced by the group. He said the two sides were only one word apart, but could not get over that obstacle.

Sparkman said the joint committee will meet again Monday morning.

"We are deadlocked now all right," the senator said, "but I am optimistic about an agreement Monday."

The House members of the conference committee plan to meet before the joint session, and Rep. Spence (D-Ky.) told reporters he expects the House delegates can reach an agreement among themselves then.

The bill passed by the Senate provides for some rent increases up to 10 percent, in two five per cent steps.

Sparkman said the senate group agreed to drop that provision and take in lieu of it, with modifications, a House provision providing for a "reasonable return on the reasonable value" of the landlord's property.

**One Word Apart**

Sparkman said the senate conferees proposed to substitute for the words "reasonable return" the words "a fair net operating income." He said the House members objected to inclusion of the word "operating."

The senate group then offered to substitute for that phrase the words "a fair net income, excluding amortization and interest."

The House members turned that down, too.

Sparkman said the two senate phrases add up to the same thing. He said the senate conferees feel that including interest and amortization on the formula would boost rents unjustifiably.

Sparkman said Flanders got so angry at the House members that "he just stomped out of the room."

The conferees previously had adopted a senate section providing for broad "Home Rent Control" under which states, cities, towns and villages could get rid of rent controls any time if the state governor approved.

Before the log-jam at today's session, the committee also agreed to give the federal housing expediter discretion to free so-called luxury apartments from rent controls.

## Says Good Leaders Needed To Salvage Truman's Program

Washington, March 26—(AP)—A major CIO union, the textile workers, said today that American labor "won the election, but we're on the verge of losing the congress."

A news story in the union's paper, "Textile Labor," says the Truman program "is completely bogged down" and then declares:

"Unless stronger and more effective leadership is somehow developed—either by the Democrats themselves or by a coalition of liberal and labor forces—the president's 'fair deal' is doomed to defeat."

## 4 Mongrels Steal Kennel Club Show

Chicago, March 26—(AP)—Four mongrels stole the International Kennel Club dog show today.

There isn't a drop of blue blood in their combined veins. They aren't even candidates for the lowliest breed ribbons. But they are dogs of distinction.

The National Society of Medical Research calls them "dog health heroes."

They have been used during important research developments in stomach cancer, ulcers, atomic radiation and veterinary science.

## TWO KILLED IN AUTO CRASH ON ROUTE 66

Gardner, Ill., March 26—(AP)—Two Chicagoans were killed last night in an automobile accident on Route 66 near here.

State police said the victims were Mr. and Mrs. Frank M. Davis of 7425 South Shore Drive. They were driving a Cadillac.

No details on the accident were immediately available.

Gardner is 25 miles south of Joliet.

## Babich Admits Killing Patricia Birmingham

Milwaukee, March 26—(AP)—District Attorney William McCauley said today a 19-year-old bridegroom admitted slaying 16-year-old Patricia Birmingham while planning to elope with her older sister.

The district attorney said Milton Babich dictated his statement a short time after his habeas corpus hearing on another charge was recessed for issuance of a first degree murder warrant.

McCauley's announcement came as a climax to a chain of events started by a fantastic coincidence. Pretty Patricia, trussed and weighted body was dragged from the Milwaukee river last Sunday by firemen hunting for a suicide. The girl, who disappeared Feb. 10, had been shot twice through the head.

The district attorney said Babich told him he killed Pat because the younger girl knew that Kathleen, her 17-year-old sister and Babich's fiancée, was pregnant and threatened to tell her parents.

The break came after Babich faced 45-hours of frequent quizzing by police. He had been held in custody on a charge of contributing to the delinquency of Kathleen, in urging her to elope with him two days before Pat's body was found.

Babich and Kathleen, who had left a note saying she was eloping with Milton, were traced to Kalamazoo, Mich., and finally located at Minneapolis. They returned to Milwaukee voluntarily accompanied by detectives. They were married at Kalamazoo.

The prosecutor quoted Babich as saying Kathleen did not know that he killed Patricia. The youth added he didn't want Kathleen's reputation smeared because she was pregnant.

"I think that's why Patricia was shot," McCauley said he told Babich. Babich answered "that's right. I was afraid she'd tell the family," the district attorney added.

McCauley said the youth told him he had bought the gun at the end of January because he said he knew he would have a showdown with Patricia. The shooting, according to McCauley, took place in the Babich family car shortly after he had picked up Patricia on her way home from high school.

Babich related the district attorney said that he laid the gun on the front seat between them and Patricia "picked it up by the handle."

He took the gun away from her, he said, his finger hit the trigger and the gun went off.

McCauley said that when he asked Babich why a second shot was fired he answered "I didn't know the first shot was fatal."

**France And Italy Sign Treaty Ending Trade Tariff Laws**

Paris, March 26—(AP)—France and Italy signed today a treaty designed to tear down the tariff wall between them and eventually to unify all their trade.

The pact calls for a Franco-Italian customs union in 1950 and a complete economic merger by 1955.

Foreign Ministers Robert Schuman of France and Carlo Spazza of Italy hailed it as a move forward on the road to European unity.

The Franco-Italian customs union, if it becomes a "hard fact" next year, as planned, will be the second in present-day Europe. Belgium, Luxembourg and The Netherlands abolished tariffs among them in January of last year.

The decision by the U. S. comptroller general was announced today by Maj. Gen. Joseph A. Teece, commanding general of troops of the Illinois guard.

In January, an earlier ruling held that guardsmen must remain active even after 20 years of service, if they wanted retirement pay. Public law 810 provides a pension of a percentage of the highest base pay received in service.

General Teece said some 6,000 Illinois guardsmen would be affected by the new ruling.

## Third Degree Act Finds Lost Boy, 4

Sacramento, Calif., March 26—(AP)—Kindness, ice cream and candy failed to draw the right words from the lost little boy.

Finally policeman Bill Wilson put on his grimmest face and said: "Now see here, wise guy, if you don't sing I'll throw you so deep in the sink they'll have to pump the sunshine to you!"

Said the boy, quickly: "I'm Dickie Sharrah. I lived at 1015 Arcade Boulevard, and I am four years old."

## To Hold Three Power Meet On Western Reich In U.S.

Washington, March 26—(AP)—The state department, it was learned today, is quietly arranging a three-power foreign ministers' meeting on western Germany to be held here in about 10 days.

The meeting will try to settle among the United States, Britain and France critical issues delaying final unification and further economic development of western Germany.

The conference is timed to take advantage of the fact that British Foreign Minister Ernest Bevin and French Foreign Minister Robert Schuman will arrive in Washington late next week. They will attend the signing of the North Atlantic treaty April 4.

The German talks probably will be held immediately after that. Authorities said they would be very informal.

Today the western powers announced minor transfers of territory from Germany to its western neighbors—the result of one of the conferences of lesser officials on German problems which have been under way abroad for many months.

The announcement said that 52 square miles of German land, with a population of 13,500, will be switched to The Netherlands, Belgium, Luxembourg, the Saar and France to improve communications and administration. The frontier will be pushed back inside Germany at 31 points.

The major problems arise from efforts to unify and establish a government for all three zones of western Germany and promote its economic development to aid European recovery.

## Europe's Politics Get Fresh Testing In French Election

Paris, March 26—(AP)—One of western Europe's great political compromises gets a fresh test tomorrow in the second serving of a French election.

The voting is for 785 local political posts.

The compromise is the middle-of-the-road French government, which is a coalition of four parties.

The test comes from the assault on this government by the Communists, on the left, and the followers of Gen. Charles De Gaulle, on the right. Both want to upset the government, but for different reasons.

The election began last Sunday, but only 723 of 1,508 seats in the general councils were filled, because an absolute majority was required for an election. The council posts are on the county government level and do not carry much power. However, the election is regarded as a political weathervane.

Reporters and photographers hurried to the 11-mile span, bridging the Golden Gate, to watch the unauthorized 200-foot leap.

There were five press boats lined up on the bay. One parer chartered a helicopter.

All this was of considerable interest to the officers of the California highway patrol. So they gathered, too.

An automobile stopped in the center of the bridge and a man got out. He carried a 40-foot rope and a parachute.

Before he could move he was whisked into a highway patrol car and taken to the toll plaza.

There he identified himself as Robert L. Niles, 22, of Oakland, a "free lance parachute jumper."

"I just felt like jumping," he said. But the police captain had other ideas. Niles wouldn't jump, he insisted, and if he persisted, he would be booked on suspicion of committing a nuisance.

Niles left. So did the press.

## Douglas Commends 'Exposing Falsity' Of 'Peace' Meet

Washington, March 26—(AP)—Sen. Douglas (D-Ill.) today commended the Americans for intellectual freedom for "exposing the essential falsity" of the "so-called" cultural and scientific conference for world peace, now meeting in New York.

Douglas wrote George S. Counts, chairman of the group that opposes the international conference, "one cannot picture Russia permitting a conference to be held within her borders, which would criticize her policies."

Sen. Douglas added: "Anyone who propose that in Russia would be sent to the prison camps and worked to death."

## Chicago Merchant, 102, Seriously Ill

Chicago, March 26—(AP)—Henry C. Lytton, 102-year-old State street merchant, was taken to Wesley Memorial hospital today. His condition was described as serious and he was placed in an oxygen tent.

The pioneer clothing store owner is suffering from a heart ailment.

Lytton's firm operates stores in Chicago, Alton, Evanston, Joliet, and Oak Park, Ill.; Gary, Ind., and Cincinnati, Ohio, and has leased departments in other stores in six Illinois cities.

## BABY, POUND AND HALF AT BIRTH, GAINING

Huntington, W. Va., March 26—(AP)—Patricia Ann Cantrell is nine days old now and holding her own, though she weighs only a fraction over a pound and a half.

She is the daughter of Mr. and Mrs. Charles Cantrell of Catlettsburg, Ky., and weighed 24 ounces at birth March 17.

Her nurse said today she has gained half an ounce on medicine dropper feedings every two hours.

## UNIFICATION SAVES MONEY

Washington, March 26—(AP)—An estimated \$56,517,421 has been saved by armed services economies under unification, defense secretary Forrestal said today.

This came through reduction of overlapping and duplication, Forrestal said. The unification act was passed in June, 1947.

## WILL TAKE OATH OF OFFICE

Washington, March 26—(AP)—Col. Louis Johnson will take the oath of office as secretary of defense Monday at military ceremonies in the Pentagon expected to be attended by about 10,000 persons.

Tornadoes Cause Much Damage, Loss Of Life In Southwest U. S.

Little Rock, Ark., March 26—(AP)—Early spring tornadoes and windstorms that have been buffeting the south and southwest since Thursday night, lashed out again today to kill and injure more persons and cause fresh damage.

Storms struck in Texas and Oklahoma this morning and Arkansas this afternoon. Earlier, Mississippi, Louisiana and Texas were hit.

At the moment, with the casualty toll still mounting in Arkansas, virtually by the minute, the known dead stands at 14 and the injured at several scores. Property losses undoubtedly will be heavy.

So many places in Arkansas had been reported hit that the exact number was not known but it was at 10 or more.

The casualties by states: Arkansas: Six known dead; injured unknown. Oklahoma: One dead and twenty injured at Crowder.

Texas: One dead and 24 injured. Mississippi: Six dead and 33 injured. Louisiana: One injured. Arkansas was the last of the states.

## Takes Los Angeles To Chicago Train Ride To Catch Cold

Chicago, March 26—(AP)—Dr. E. C. Rosenow still doesn't know if he's caught cold.

The 73-year-old bacteriologist arrived here today in pursuit of the virus which causes the common cold. In hopes of finding it he had strapped two tubes to the head of a locomotive and ran them all the way from Los Angeles to Chicago—all to trap the bug.

But he said he still won't know whether he caught one. He took the tubes with him—in a black bag—to Cincinnati. There he said he'll analyze their contents in his laboratory at Longview hospital.

The apparatus consisted of two tubes filled with sterilized glass wool and capped with meshing to keep the tubes to the diesel engine, and climbed up again in Chicago to remove them.

## Steve Koch Named President Of State Student Councils

Chicago, March 26—(AP)—Steve Koch of Peoria Central high school was elected president today of the Illinois Association of Student Councils.

Some 1500 students, representing student councils from high schools throughout the state, attended the three-day session.

Other officers elected were: First vice-president, Barbara Webber, Urbana high school; second vice-president, Rod Stuart, Galesburg senior high school; secretary, Gloria Smith, Proviso Township high school, Maywood, and treasurer, Doug Koehler, Belleville high school. Audrey Swansy, Morton high school of Cicero, was elected editor of the state paper.

The group held a number of panel discussions in which ideas on council projects were exchanged. Some revisions were made in the association constitution.

The convention voted to hold its 1950 meeting April 22-24, in Peoria.

## Ohio Housewives See Snakes; Were Used To Kill Rats

Columbus, Ohio, March 26—(AP)—Snakes. Everywhere you looked there were snakes. Housewives in a west side neighborhood were panicked today.

Women, in house dresses and aprons, were armed with brooms and clubs. They screamed and shouted as they wielded their weapons—attempts to kill about 200 snakes wriggling over their lawns. Then . . .

"Hey—quit killing those snakes," a man shouted. "They're mine."

"I brought them in from the country to kill rats," Edward Minshall told the flabbergasted women.

Minshall explained he had captured about 200 garter snakes. He said he put them in his basement, but some of them must have escaped.

One housewife indignantly asked why he didn't try some other rat-catching device which would be more acceptable to neighbors. Someone suggested a cat.

"I had some cats," he said, "but one day I saw one of them asleep. I ran right over to it and the cat didn't move. I threw them all out and decided to get snakes instead."

Minshall, however, agreed to dispose of the snakes.

## Holder Of Balloon Flight Record Dies

Redwood City, Calif., March 26—(AP)—Lt. Col. Alebr William Stevens, holder of the world's record for stratosphere balloon free flight, died today in Letterman General hospital. He was 63.

Col. Stevens, a nationally recognized authority on balloon flight, had been ill for a long time.

He set the world record for lighter than air flight when he reached the height of 72,395 feet in a flight on Armistice Day, 1935, from Rapid City, S. D. He was accompanied by Capt. Orvil Anderson.

## Russians Kill One, Capture Two Iranians In Border Clash

Tehran, Iran, March 26—(AP)—A high military source said today a detachment of 50 Soviet troops has killed one Iranian soldier and wounded and captured two others in a disputed frontier region.

The incident, the informant said, in an interview, occurred in an area claimed by Iran, in the Gurgan district south of the Atrak river.

(The date was not stated in this dispatch, which passed through Iranian censorship.)

The Iranian commander protested to the Soviet consul in the city of Gurgan and demanded return of the prisoners. Negotiations for release of the two and payment of indemnity were reported under way.

Press sources reported the Soviet commander in the area issued an ultimatum to Iranians to withdraw from frontier posts in the area and massed Soviet regiments in a show of force, but the Iranian command

Whelen Springs first was hit. Then in rapid succession, Sparkman, Sheridan, Scott, England, Hazen, Beedeville, Cotton Plant, McCrory, Harrisburg and Clear Lake were reported struck. All of these places are small communities.

England, about 30 miles east of Little Rock, apparently was the hardest-hit in Arkansas. Ambulances were making round-trips bringing injured to hospitals here.

Earlier, a tornado carved a swath five blocks wide through Crowder, Okla., after hitting two places in Texas. One person was killed at Crowder and damage was estimated at \$200,000.

Property losses in other states were estimated in the hundreds of thousands of dollars.

## UFEW To Request Truman To Restore Peace With Russia

Cedar Rapids, Iowa, March 26—(AP)—The CIO United Farm Equipment Workers (UFEW) today adopted a resolution asking President Truman to take action to "restore peaceful relations with the Soviet Union."

About 15 delegates voted against the proposal in a standing vote. One of them said the objection was chiefly to the wording of the resolution. It was possible that it might later be recalled for some committee revision.

When asked where they were from, most of the dissenters said they represented locals in Moline and Rock Island, Ill.

The foreign policy resolution criticized the Truman doctrine and the Marshall plan. It said "the present cold war policy prevents trade relations with eastern European countries."

It said the North Atlantic Pact represented "a new get-ready-for-war policy by our state department."

## Charges Defenses Are Lulling U.S. To Overconfidence

Chicago, March 26—(AP)—The Navy club of the U.S.A. today charged a "Machinist-minded theory" of a 24-hour war is apparently lulling the American people into a dangerous self-confidence.

This feeling is fostered, the club said by such air force exploits at the recent global flight of a B-50 bomber, and claims that the B-36 plane is capable of atom bomb missions 10,000 miles distant.

Dr. R. J. Mashek, Milwaukee dentist who is national commandant of the club said:

"The more we believe we can dispose of Russia any time we choose to send 10 bombers to atomize their industries, the more we cooperate with Russia's plans for our annihilation."

He urged "strengthening every instrument of defense we have, material and psychological, instead of weakening it by strengthening the big-bomber air force at the expense of the army, navy, and marines."

## I Killed, 4 Hurt As Cars Collide

Litchfield, Ill., March 26—(AP)—A man was killed and four persons injured today when two automobiles collided on Route 66 three miles south of Litchfield.

The dead man tentatively was identified as Jack J. Goldstein, 41, of St. Louis.

Pvt. Harold Baker, of Decatur, Ill., a passenger in the dead man's car, suffered a broken leg. Baker is stationed with the army in Smyrna, Tenn.

Three Springfield, Ill., persons in the other car were reported in critical condition at St. Francis hospital here. They are Mr. and Mrs. Edward Volsang and Earl Rodemer, 26.

## NAME HEAD OF ART ASSN.

Dallas, March 26—(AP)—Miss Ruth M. Blankmeyer, Oak Park, Ill., today was elected president of the Western Arts Association.

Dr. F. Louis Hoover, Norman, Ill., retiring president, was named a council member.

The association's 1950 convention will be in Chicago.

## SEVENTY SOVIET TARGETS

The air department has given our military planners assurance that the B-36 super bomber could fly from bases on this continent and strike 70 strategic targets in Russia. All have been marked as primary objectives and all are within a 4,000-mile radius of air bases in Alaska and Labrador.

It has been known for some time that attacks of this kind were possible from the American continent. It may seem a poor contribution to peace efforts to proclaim this fact now.

But other departments at Washington are going ahead with plans calling for invasion of Russia in event of a showdown between Communism and the democracies. It is well for the people to know that there wouldn't be much for us to occupy, even if we succeeded where Napoleon and Hitler failed.

And we would have the job of feeding 200 million Russians and all their satellite countries. It is no wonder that the grand invasion idea doesn't appeal to most people. They would rather leave the job to the air corps and the atomic bomb, meantime praying that it is never forced upon us.

## BACK TO SELLING

If the worst effect of the so-called 1949 recession is to put the salesmen back on the road, there is no reason to break down with anxiety.

A New York Times correspondent, touring Iowa, reported from Humboldt:

"The small-town businessmen are 'courting' the farmers again. They've shifted back to selling. They're taking to the road to find customers."

It won't kill them. If the nation is to remain prosperous it will require the ingenuity of sellers as well as of producers.

This correspondent reports: "Farm income dropped in 1948 and may go lower this year as commodity prices move lower."

That isn't exactly correct. Farm income gained but the gain was more than offset by the rise in prices of goods bought by the farmer. Now the agricultural department forecasts that the farmer should do better in the first quarter of 1949.

## Large Attendance Expected At District Rotary Conference

With 650 reservations already on the books, an attendance of more than 700 is in prospect for the 146th district conference of Rotary International which will be held in Jacksonville next Monday and Tuesday, March 28 and 29.

Speakers of wide prominence in club activities, education, and other fields will address the Rotarians, many of whom will be accompanied by Rotary Annas, wives of the members. A special luncheon and entertainment will be provided for wives of the delegates.

Jeff H. Williams of Chickasha, Okla., a past director of Rotary International, and Carl E. Bolte of Kansas City, Mo., member of the finance committee of Rotary International, and official representative to the conference, will appear on the program.

Conference headquarters will be maintained at MacMurray College, where the general sessions will take place.

**Past Governors' Luncheon**  
A past governors' luncheon will be held Sunday evening, March 27, at the Dunlap hotel, beginning at 6:30 o'clock, with an attendance of 40 past governors and conference officials.

Registration for the conference will begin at 8 a. m. Monday in the Main Hall lobby at the college.

The governors' dinner and dance is scheduled for Monday evening at 6:30 o'clock in McClelland dining hall.

Musical features, presentation of honors and trophies, and other important events will be a part of each session.

Joseph W. Hobbs of Manito, Ill., superintendent of Mason county schools, is district governor of Rotary. He will preside at most of the sessions.

H. L. Caldwell, president of the Caldwell Engineering Co., of this city, is president of the Jacksonville Rotary club. He was a delegate last year to the Rotary International convention in Rio de Janeiro.

**Randall Heads Conference**  
W. O. Randall, manager of the Illinois Telephone Co., is conference president. Other conference officials include W. H. McCreery of this city, conference adviser; D. L. Hardin, secretary; Edward Bargery, treasurer; Wilbur Trimpe of Havana, sergeant-at-arms; Kenneth F. Buel, Collinsville, assistant sergeant-at-arms; Robb Isaacs, Gillespie, assistant sergeant-at-arms; Ketric Klingman, Canton, song leader; Mrs. Ketric Klingman, conference pianist.

All members of the Jacksonville club are serving on conference committees, which have been active for several weeks in planning the big gathering. District committees also have had a prominent hand in conference plans.

The convention program has been announced as follows:

## Clarence Ruh, 48, Dies At Meredosia Saturday Morning

Meredosia—Clarence Ruh, 48, prominent farmer residing one mile north of Meredosia, passed away Saturday at 5:45 a. m. at his home, following illness of several months.

Mr. Ruh was born on March 29, 1900, the son of Charles and Katherine Ruh. He was united in marriage with Rita Schlieker in 1922.

His wife survives, together with one daughter, Lorene Bottelheid of Meredosia; a brother, Lawrence, also of Meredosia; and two sisters, Mrs. Edward Schlieker and Miss Pauline Ruh, both of the Chapin community.

Mr. Ruh was a member of St. John's Lutheran church.

The body is at the Schaefer Funeral Home.

Brief services will be held at the home Monday afternoon at 2 o'clock and at 2:30 o'clock at the St. John's Lutheran church in Meredosia with the Rev. H. Wennermark officiating.

Burial will be in Oakland cemetery.

The body will be taken to the residence at 3 o'clock Sunday afternoon.

### WINCHESTER

Winchester — The Scott county board of county commissioners has announced the appointment of Miss Hester Kory, daughter of Mr. and Mrs. Lewis Kory of Merritt, as superintendent of schools to fill out the vacancy recently created by the resignation of Cordell Moore. Miss Kory is now teaching at Hardin.

Edward Wild, of the local AAA county committee issued a warning Friday that Scott county farmers have only a few more days to sign up under the 1949 Agricultural Conservation Program. Farmers who

desire to qualify for program assistance and still haven't signed up should take immediate action to complete a farm worksheet at the county office. The March 31 deadline is a rigid program requirement.

Rosary Circle, a group of young people of the St. Marks church met Thursday evening in the Legion hall for a potluck supper. During an organizational meeting the following officers were elected: Ted Conner, president; Allen Peak, secretary-treasurer, and Mrs. Mary Grey, press reporter. Father Sullivan gave a short talk on religion in the home. Bingo and a social hour followed. The next meeting of the group will be held April 28, with Mrs. Miriam Lashmett, Mrs. Regina Cowick, and Andy Sauer in charge.

The Young Peoples class of the First Baptist Church met Thursday evening at the home of their teacher, Mrs. C. R. W. Frost. During an informal business meeting, presided over by the president Don Dugan, the group discussed the coming Crusade for Christ to be held the week of April 3 through 10. The class also discussed their pledge to the Baptist building program. The committee, composed of Rex Worrel, Geraldine McGuire, and Leo McGuire, led the group in games and contests and refreshments were served.

Dr. and Mrs. W. E. Harper and Frank Redshaw attended the funeral of Howard Allyn at Modesto on Wednesday.

Mr. and Mrs. Dale Bradshaw are parents of a baby girl born Tuesday night at Illinois hospital in Pittsfield.

Mrs. Lorraine Watt entertained her bridge club Wednesday afternoon.

L. Allen Watt was in Carrollton on business Friday.

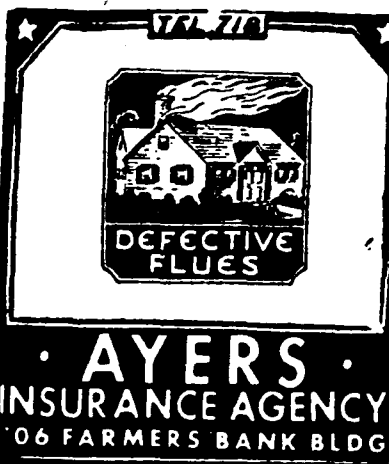

Mrs. Verlin Summers, who has been visiting her son Tom and family in Hollywood, California, returned home Thursday night.

Mrs. Lillian Coultas was hostess to her bridge club Thursday.

Mr. and Mrs. A. H. Chapman took her mother, Mrs. Green, who has been visiting them home to Nashville, Ill., Friday.

Harry Dugan of Beardstown was in Winchester Friday.

## Carrollton Teen Age Club Clears \$153 From Project

Carrollton—Guy Petty, temporary chairman of the executive committee of the Teen-Age club, announced Thursday that the receipts of the Flap Jack Flip held in the Knights of Columbus hall for the benefit of the club had made a profit of \$153.75. Tickets sold to the Flap Jack Flip numbered 429. Three hundred six orders of pancakes were served by James Turpin and John Boirin, Jr., the cooks, for the entire event, beginning at 11 a. m. until the closing at 9 p. m. The cakes were served by

the girls of the Home Economics Club and the dishes were washed by the boys of the FFA club of the local high school. The work was done under the supervision and with the assistance of some of the ladies of St. John's church and the Methodist church.

Petty plans to have a meeting of the executive committee in the near future to make definite plans for using the \$153.75 for the realization of the Teen-Age Club. The local Lions Club, the American Legion and the Civic League have pledged themselves to assist in the upkeep of the club when it is organized.

Blood of birds has more red corpuscles per ounce than that of any other animal, according to the Encyclopedia Britannica.

## 'Hobo' Pack Swings in High Style

New York—(NEA)—Borrowed from the hobo but glamorized to the last stitch are new stick-slung handbags, which swing jauntily from a woman's shoulder.

One of the two such styles, Paris-designed by Dofan and soon to be seen in American-made versions, is the frameless pouch bag (right).

Ornamented with a giant-sized gold safety pin, this snap fastened pouch of cocoa-colored suede swings from a gold-tipped stick sheathed with matching suede.

The other bag style, which owes its origin to the hobo's shoulder-slung pack is the oblong pouch of leather (left). This one has an out-

side compartment for carrying a book and even provides a slit for a lady's pipe. Swung from a leather-covered shoulder stick, this bag, however, is detachable if its owner wishes to carry it in a more convenient way.—EPSIE KINARD, NEA Fashion Editor.

### POLES WANT MORE WAR CRIMINAL TRIALS

Warsaw, Poland.—(AP)—Poland is still trying to get 7,000 Germans returned from Germany for trial before courts in this country as war criminals.

The government announced approximately 2,000 had been extradited since the end of the war. A spokesman said American authorities in Germany had refused to turn over 981 Germans and British authorities had replied negatively to requests.

57 other extradition requests. The spokesman said Poland was continuing to insist that Anglo-American authorities had no right to set any deadline for extradition requests.

## Pre-Graduation Activities Planned By Carrollton H.S.

Carrollton—Commencement exercises of the Carrollton High school will be held May 25, according to present plans as announced by Olin Stead, superintendent of the school. The speaker for the evening has not been announced as yet.

As the close of school date nears the activities at the school become more intensified. Beginning with April 5, each day is full for the students and members of the faculty. On April 5 a temperance lecture will be given at one p. m. in the assembly; on April 7, the annual senior class play will be given; on April 8 and 15 there will be no school. On April 8, the teachers will attend the meeting of the southwestern division of the Illinois Education association to be held in East St. Louis and on April 15 the school will be closed in observance of Good Friday.

On April 9, the local track team will participate in a track meet at the Alton Military Academy in Alton. Future student's day sponsored by the student council will be held April 13 and on that date also the Parent Teacher's association will meet. On April 14th the boys will go to Carlinville to participate in a track meet; on April 20th the Maroon Jayhawk meet will be held in White Hall; on April 22 a track meet will be held in Roodhouse; on April 26 a program, "Imaginary Invalid," will be given by the Hollywood players at assembly; and on April 29 the Greene county track meet will be held in Roodhouse.

On May 1 the Seniors of St. John's High school will present their play in the public school gymnasium; on May 6 the Illinois Valley track meet will be held in Roodhouse and on

May 7 the annual Junior-Senior student tea for the senior class and prom will be held in the school gym. Members of the faculty will be held nasium. The district track meet will May 19 in the Baptist church and be held at Kincaid May 13 and the baccalaureate service will be state track meet will be held in held May 22 with the commencement-Champaign on May 20. **THE WASHSTAND**

Remember when there was a washstand in every bedroom, marble-topped ones being especially prized? With it went a heavy china pitcher, bowl, and soap dish. There was a rack for towels and washclothes, also drawers and cupboard space below. Before the days of modern plumbing, it was a "must." Remember?

#### He'll Get Ribbed for This Boner

Tootsie, a six-month-old terrier, looks at more bones than he's seen in a long time—and all of them but one are his own. He's studying an X-ray of the 4 1/4-inch pork chop bone he swallowed. The bone was removed by the Anti-Cruelty Society Clinic in Chicago with the forceps shown holding it. When Tootsie came out of the anesthetic, he barked happily, licked the vet's hand and was almost ready to tackle another pork chop.

# New Cloths Pep Up Classics

Nylon and Linen Put Familiar Fashions in News

NEW YORK—(NEA)—The way a classic fashion makes news is by appearing in a new and sometimes revolutionary type of fabric.

By this token, the familiar-looking peddle pusher outfit and sweaters shown make news this spring.

Nylon in candy bright colors makes the pullover and cardigan team of sweaters (above). Because nylon yarn's invincible strength hides behind a softness as strokable as a kitten's ear, these sweaters are alluring to look at and durable. They dry quickly after washing and need no blocking.

What puts the peddle pushers and blouse (right) smack up front in fashion's spotlight is the non-crushable Irish linen used to keep these active sportswear garments wrinkle-free. The color for the familiar peddle pushers in their new fabric guise is clear blue. The companion blouse is made of the pure white linen that never yellows no matter how long it lasts.

## FRANKLIN

Mrs. Harriet Dowell has returned to her home here. She has been with her daughter, Mrs. Paul Neef in Springfield since last fall.

The American Legion Auxiliary will meet in the Christian church basement Monday night. Potluck supper is at 6:30. Main feature of the evening is the initiation of several candidates.

Mrs. Effie Glenn returned to her home this week from Our Saviour's hospital, where she has been a patient for nine weeks. She is still confined to her bed and will be cared for by Mrs. Beddingfield.

Mr. and Mrs. Watson Paton of Ashland will move to Franklin next week. They will reside in the Earl Hayes cottage which has never been occupied since it was completed last year.

Mr. and Mrs. R. L. Rakes and daughter, Joyce, of Waverly, spent Sunday afternoon with Mrs. L. W. Linder and daughter Fayne.

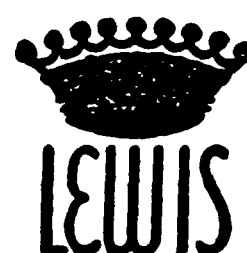

John C. Deem, Morgan county superintendent of schools, approved a petition effective immediately for the detachment of land from the Waverly Unit School District No. 6 and annexing the land to the Franklin, Alexander, Nortonville Unit School District No. 1. The land annexed contains all of sections five, six, and seven, and the north half of section eight, a total of 2,240 acres, all located in Township 13-8.

The Rolston store will change hands next Friday. The new owner is John Wood, a son of Homer Wood.

## Two Jacksonville Women Address Welfare Workers

Current legislation affecting social and welfare workers was discussed at the quarterly meeting of the Marquette district of the Illinois Welfare association following luncheon Thursday in the Beardstown Marching and Chowder club rooms.

Mrs. Orville Foreman of Jacksonville, who is a member of the Morgan county advisory board to the social agencies in the county discussed "Pending Legislation" in her talk to the 75 persons present at the luncheon. Guests included members

of the staff of social agencies, both public and private, and others interested in welfare work from 11 counties including Adams, Brown, Calhoun, Cass, Greene, Jersey, Mason, Morgan, Pike, Schuyler and Scott counties.

Mrs. Catherine Nelson, county superintendent of the Illinois Public Aid commission, was in charge of arrangements for the meeting.

The Rev. J. W. Henderson, pastor of the Beardstown Congregational church acted as toastmaster and introduced the speakers.

Mrs. Ralph Robbins, French and Spanish, instructor at MacMurray college, who was a refugee from Hitler's Germany in 1936 discussed "Displaced Persons."

The annual election of officers was held during the business meeting.

Officers elected were: The Rev. Father E. J. Scanlon of Pittsfield, chairman; John Deem, county superintendent of schools in Morgan county, vice chairman; Miss Marguerite Schendel, county superintendent of Pike county department of public assistance, secretary and treasurer.

# Here's beauty at its best!

Now there's more difference  
than ever in low-priced cars—  
and the great New Plymouth  
makes the difference!

**FOR A BETTER CAR.** This beauty is not just for the sake of appearance. It flows from advanced engineering . . . to help give you a better car to drive—to ride in—to enjoy for many miles to come. It's easier to start—you simply turn the ignition key—no buttons to push, no choke to pull! It's easier to handle—to park, to put in the garage. And its styling is practical—fenders are separate and detachable.

**FOR GREATER SAFETY.** The new lines of this car make the most of the greatly increased glass area. The new, larger V-shaped windshield lets you see without distortion. You have a clear view of the road in all directions. New body construction makes the New Plymouth a sturdier, safer car. Body and frame are 23% more rigid. The car has a lower center of gravity, hugs the road better.

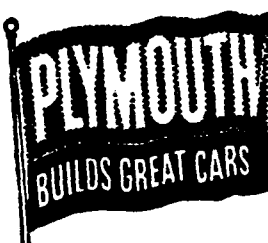

The Beautiful New Plymouth Special De Luxe Club Coupe with Longer 118" Wheelbase

**FOR GREATER COMFORT.** Chair-height seats are wider, deeper from front to back. Thicker, softer body mountings make a smoother, quieter ride. Diagonally mounted rear shock absorbers give added stability. Windows lift and lower easier. Doors open wide for easy entrance and exit. You relax on soft, buoyant cushions at a comfortable angle. Yes, the famous Air Pillow Ride is now smoother than ever!

**FOR GREATER PERFORMANCE.** There's more power in the engine—the result of a newly designed cylinder head, a higher compression ratio and a new intake manifold. You save on oil and get longer engine life with new oil control piston rings and the brand-new chrome compression ring. See the value car—the car that gives you more for your money—the greatest of all the great Plymouths!

SAVE HUNDREDS OF DOLLARS

- Choose from 4 models
- Shipped direct to lot
- Complete plans furnished
- Finish to suit yourself

SIMPSON HOMES are "pre-built" paneled homes developed by a master builder. They are offered as a basic framed and storm sheathed unit allowing the greatest amount of flexibility as to choice of interior and exterior finishes at the job site. Under the Simpson method any man who can read, write and is physically able can save hundreds of dollars by doing most of the erection work himself with the aid of unskilled labor. He may choose the interior and exterior finishes to meet his requirements and purse. Likewise, Simpson Homes offer an excellent opportunity to builders and individuals who wish to enter the housing field as builders. Such problems as building in accord with local codes, or F.H.A. requirements are already solved. Attractive designs and floor plans have been chosen by masters and complicated framing work is completed at the factory under precision methods.

## Capt. Howard Potter Acquitted, Restored To Active Duty

Great Lakes, Ill., March 26—(AP)—A navy court martial's finding of implied guilt against Capt. Howard P. Potter, 50, on charges of fraud and neglect of duty has been set aside by the Secretary of the Navy.

Authorities at the ninth naval district headquarters here said they were notified today of Capt. Potter's acquittal by the Navy secretary. Capt. Potter was ordered freed from technical custody and restored to active duty immediately.

The Navy officer's acquittal came seven months after the court martial implied his guilt on five counts of fraud and neglect of duty. He was accused of holding a \$350 a month civilian job with the Illinois State Housing Board from June, 1947, to Feb. 1948, while on active duty with the Navy.

In all, 27 charges were filed against Capt. Potter, but the court martial implied guilt on only five. Potter, a former Jacksonville, Ill., resident, was in charge of the reserve Sea-Bee program in the ninth naval district.

Fred Lauder, Monmouth attorney, represented Potter in the court martial proceedings.

### Funeral Services For Mrs. Eldridge To Be Held Today

Washington, March 26.—(AP)—Funeral services will be held this afternoon for Mrs. May Amelia Nash Eldridge, 86, sister of the late Charles W. Nash, former president of General Motors Corp., and founder of Nash Motors.

Mrs. Eldridge died at her home Thursday after an illness of three years.

A native of Illinois, Mrs. Eldridge lived in Flint, Mich., during her childhood and came here in 1881. She was the widow of Watson W. Eldridge, treasury department official who died in 1917. She was the last original member of the board of lady managers of the Methodist home for the aged here.

In addition to serving nearly 60 years on the board of the home for the aged, Mrs. Eldridge was active in the Order of the Eastern Star, the Grand Army of the Republic, and in civic work.

She is survived by a son, Dr. Watson W. Eldridge, Jr., head of the medical surgical and X-ray department of St. Elizabeth's hospital; two daughters, Mrs. Garnett G. Loeffler and Mrs. Charles C. Hartman, of Washington, and a stepson, Marvin Eldridge of Chicago.

Burial will be in Congressional cemetery.

### MRS. CHAPMAN ILL.

Mrs. Myrtle L. Chapman is seriously ill at the home of her daughter, Mrs. Bly Cooley, at Rockbridge, Ill. Mrs. Chapman, formerly of Jacksonville, is the mother of Mrs. John Laurie of Peoria, Ill.

### TRAVELING DINERS

Heliogabalus, Roman emperor, gave diners that required extensive traveling by the guests. The diners had to go to a different part of the city for each course.

Birds rarely are sighted by airplane pilots flying at an altitude of 3000 feet or more.

### Social Calendar

**Monday**  
Chapter CY of P.E.O. will meet Monday at 2:30 p. m. at the home of Mrs. Elizabeth Buffe, 1054 West Lafayette avenue.

**Tuesday**  
Tuesday club will meet Tuesday at 2:30 p. m. at the home of Mrs. Lois Hardin, 421 West College avenue. Mrs. J. D. Bunting will give a paper on "The Story of Cheese."

**Wednesday**  
Wednesday class will meet with Mrs. Laurence Crawford at the home of Mrs. Carolyn N. Hart, 651 South Prairie street, at 3 p. m. Mrs. Walter Bellatti will present the paper.

**Thursday**  
The Ebenezer W. S. C. S. will meet Thursday afternoon at two o'clock at the home of Mrs. Harold D. Cully, northeast of the city. Mrs. Ivan Petefish and Mrs. Floyd Hess will be assistant hostesses.

The Edward Gallagher Circle, Ladies of the G.A.R., will hold its regular meeting Thursday afternoon at two o'clock at the American Legion Home.

### Home Bureau To Plan Program

The program planning chairman or a representative from each of the 20 Home Bureau units in Morgan and Scott counties will meet in Farm Bureau Hall Monday afternoon to select topics for the Home Bureau lessons during 1949 and 1950. The topics chosen will be discussed at the unit meetings in April. Mrs. Virgil Wegehoff, county major projects chairman, will preside.

### Fighter Squadron Invites Public To Visit Quarters

Capt. Ralph Eads, commanding officer of the 170th Fighter Squadron of the Illinois Air National Guard located in Springfield, stated Saturday that Open House will be held at Squadron Headquarters at Springfield Capital Airport on April 9 and 10 in honor of Army Week. The public of Jacksonville is cordially invited to attend this open house from 10 a. m. to 6:00 p. m. both Saturday and Sunday.

Guides will be available at the headquarters building to escort spectators through Squadron Headquarters, and throughout the airport area including the Weather Bureau and State and Federal Bureau of Aeronautics. Continuous movies will be shown for those who would like to see military film on various interesting topics. Some of the pictures to be shown are "Pacific Pathways," "Problems of Peace in Europe," "Operation Thunderbolt," "The Fighting First," and "The Educational System of Japan."

The different types of aircraft used by the 170th Fighter Squadron will be exhibited for public inspection, and formation flights and aerobatics will be performed by squadron members on both Saturday and Sunday.

## Browns Pretty Well Balanced Outside Of Mound Talent

**By Bob Myers**  
**AP Newsfeatures**  
Burbank, Calif. — Zack Taylor watched his St. Louis Browns go through a lively inter-squad game at their new training base here and commented:

"We could use some pitching. Innocently spoken, it can go down."

**THUMBNAILED PREVIEW**  
**St. Louis Browns**  
Hitting—Good  
Pitching—Poor  
Catching—Promising  
Infield—Almost Perfect  
Outfield—Promising

**Finish—Sixth**

as quite an understatement of fact. Boy, can they use pitching! The Browns front office peddled away their best hurler of 1948, Fred Sanford. They got in return a fat bundle of cash, but they can't pitch money every fourth day.

**Fairly Well Balanced**  
Sandy won only 12 games and lost 21 for St. Louis, but the Yankees thought enough of him to kick through with a lot of dough. There is no reason to take a run-down of Zack's pitching prospects. There will be time enough for that.

if miracles are to follow in the American League race this year. Aside from this department, however, the Browns have a pretty well balanced outfit, a hustling team and a manager who seems to get along fine with his talent.

His infield is good, and could be terrific if big Jack Graham, San Diego's homerun sensation, continues to belt the major league brand of ball as he has done in exhibitions.

**Fine DP Combination**  
Gerry Priddy at second was one of the outstanding players of the league last year, and teamed with Shortstop Eddie Pellagrini formed one of the finest double play combinations in the big show.

Graham, incidentally, can play in the outfield, too, leaving first base open to good-field, no-hit Hank Arritt. Taylor is high on his outfield — veteran Al Zarilla (.325), Paul Lehner (.276 and improving), Dick Kokos, a fine graduate of Toledo in the American Association; Whitey Platt, a utility veteran.

Two young catchers, Sherman Lollar and Les Moss, also look good. Taylor achieved wonders in piloting the Browns into sixth place. Observers think they'll do as well this year.

### INDIA SENDS MANGANESE TO U. S.

New Delhi—(AP)—India may export 400,000 tons of manganese ore to the United States this year.

A commerce ministry spokesman said the target for export to the United Kingdom for the year was 125,000 tons.

He added the entire quotas for Bizonia (Germany) and Japan had been shipped and further licenses for these two areas would not be given for the present.

The quota for Bizonia for the year ending in June was 25,000 tons. Japan since September has received 45,000 tons. The spokesman said this was in excess of the quantity covered by the \$100 million worth of manganese India agreed to ship Japan.

## Billy Meyer Expects Bucs To Be Stronger This Year

**By Bob Myers**  
**AP Newsfeatures**

San Bernardino, Calif. — Manager Bill Meyer hasn't climbed aboard the rapidly filling Pittsburgh pennant-winning band wagon, but one of his comments on the National League race may be termed significant:

**THUMBNAILED PREVIEW**  
**Pittsburgh Pirates**  
Hitting—Good  
Pitching—Improved  
Catching—Passable  
Infield—Smooth  
Outfield—Dangerous  
Finish—Third

"I don't think the top clubs have done much to improve and I think we will be stronger than last year."

**Pessimistic A Year Ago**  
The easy-mannered veterans a year ago in his debut as a manager was anything but optimistic.

Now when he talks of the top clubs, he's drawing a rather fine line. It's fine because the Pirates, with their homerun slugger Ralph Kiner sick and out of the lineup, their aging pitchers tiring badly at the age end of the season, still finished fourth, one game behind Brooklyn, a mere two games behind second place St. Louis. The year before they tied for last.

Meyer feels there is still the problem of taking up the slack behind now-healthy Ralph — someone who can "power the ball because they'll still hand Kiner those bases on balls."

**Strong Through The Middle.**  
Down the middle strength includes the Meyer-fashioned combination of Shortstop Stan Rojek and Second baseman Danny Murtaugh. A year ago Meyer publicly predicted they'd make quite a combination. He was accused of wishful thinking. But the pair came through as one of the

best in the loop. Clyde McCullough, veteran from the Cubs, "will do most of the catching. He's a good mechanical catcher and will help us a lot," says Meyer.

Holdover Eddie Bockman and Freshman Gabby Cassini are battling for third base, and the same goes for rejuvenated, squat Les Fleming and Eddie Stevens at first. Meyer likes his infield.

He also has high hopes for his outfield talent—Kiner, Wally Westlake, ageless Dixie Walker, Johnny Hopp—and put in a surprising plug for Walt Juhnich, obtained from Cleveland, and Cramer Beard, a speed merchant who hit .301 at Indianapolis.

**Young Mound Talent**

"The pitching staff? We have some young boys who will, I think, fit in well with the older men," says Bill. That would include veterans Kirby Higbe—with McCullough, they hope, qualified to handle his knucklers—bloomer Rip Sewell, Ernie Bonham and Hugh Casey, and Bob Chernes, Murry Dickson, Vic Lombardi, Bob Merier, Elmer Riddle, who can qualify as oldsters or in-betweeners: Rookie Bill Werle, who won 17 for San Francisco, and possibly Cliff Chambers, a Cub castoff after two trials.

"Yes, I think we'll be stronger. We certainly are stronger now than we were a year ago," concludes the Bucco skipper.

**FINNS AID POLISH TB TESTS**

## HERE'S HOW RADIO GAGS ARE HATCHED

**By Bob Thomas**

Hollywood, March 26 —(AP)— Let's take a peek inside a radio gag factory.

The profession of putting jokes into comedians' mouths is much maligned. People conceive of gag writers as ulcer-racked, whip-lashed descendants of Joe Miller. I sought out a couple of them to find out what the species is really like.

The subjects were Ben Freedman, studios-looking co-author of the best-selling "Mrs. Mike," and John Murray, a glib-talking ex-bellhop. They create the funny stuff for Red Skelton.

**Routine Is Different**

"Our routine is different from writers for other comedians," said Freedman, who has worked for them all. "There are no conferences, no rehearsals, no pressure."

"No jokes," ad libbed Murray.

Each week the boys receive an outline of the next show from Edna Skelton Borzage, Red's ex-wife and mentor. It's a dummy script containing a story line, filled in with used material. The two boys retire separately to their homes and substitute the old material with new.

**Pieces Them Together**

They send their scripts to Edna, who literally pieces them together with scissors, paste and gags of her own. The show is previewed about twice as long as it should be. Then the giggles are weeded out from the boys and the final script emerges.

The unused material is catalogued and filed away for another day. This requires Murray and Freedman to dream up new material weekly.

Like all humorists, the boys have a problem finding out what is funny. Gags are hardest to write, situation comedy comes easier. Easiest of all are punning gags, which can be counted on for repeated laughs. But they're the hardest to create. Red's running gags—like "I doo it" and "I scared myself"—usually happen by accident. Originally they may have been straight lines.

### CASPIAN SEALS HUNTED

Moscow—(AP)—The sealing season has begun in the Caspian Sea.

Despite the fact that the Caspian is an inland sea and despite its southern location, it has a very large seal population. Seals thrive on the ice floes of the northern half of the sea and are caught during the early spring and late winter. They are a valuable source of oil and fur.

Tass reported recently that the first sealing ships had gone out for the hunt accompanied by reconnaissance planes which would lead them to the seal packs.

## Charles-Walcott Title Bout Will Be June 22 At Comiskey Park

Chicago, March 26.—(P)—Promoter Joe Louis, with a fine sentimental touch, today announced the Ezzard Charles-Jersey Joe Walcott bout for his vacated world heavyweight crown will be fought June 22 at Comiskey Park.

Director Louis of the International Boxing club, 12 years ago at the same place and on the same date, flattened Jim Braddock for the championship.

With the sentiment, the newly-formed I.B.C. displayed a pretty good business batting eye. The 35-year-old Walcott and 25-year-old Charles each will get 25 per cent of the receipts.

The other 50 per cent goes to the I.B.C., which should be a good fat take with the television talk all clamoring for rights in the bout.

Besides, the I.B.C. will have the Charles-Walcott winner committed to a title defense, within 90 days, against Lee Savold, or Britishers Bruce Woodcock or Freddie Mills.

The Charles-Walcott meeting has the blessings of the National Boxing Association as a title affair. But the non-NBA New York Athletic Commission scorns it as such, recommending that Joe's title should be pitched up for grabs in an elimination series.

Details of the fight were disclosed in a Hollywood setting at the office of the Illinois Athletic Commission. Chief purpose of the special meeting was to grant the I.B.C. an Illinois operating license.

But the session became the opening publicity blast on the fight which had been in the making since Louis announced his retirement from the ring at Miami Beach on March 1.

News photographers and newsreel camera men milled around and reporters were interviewed everybody.

Louis Charles, Walcott, Felix Boccia, Walcott's manager, Jake Minz and Gene Elkus, Charles' manager, and Chairman Joe Triner of the Illinois commission.

"That's right, that's right—June 22 and Comiskey Park—for sentimental reasons," admitted Louis.

"That was one lucky night for me. This may be another in a different way."

It will be that the showdown between the two negro battlers will draw as the Louis-Braddock title match on June 22, 1937, Comiskey Park, hard by Chicago's biggest negro sector, was filled by 45,500 persons that time. They paid a gate of \$715,470.

## Richard Gonzales Wins U.S. Indoor Tennis Crown

New York, March 26.—(P)—Richard (Pancho) Gonzales of Los Angeles won the National Indoor Tennis championship today and became the first player in history to rule this country's amateur game on grass, clay and wood—all at the same time.

The 20-year-old Californian vanquished defending champion Billy Talbert of New York, 10-8, 6-0, 4-6, 9-7, in the finals of the 46th annual tournament.

Talbert, ten years older and with experience to match, missed his golden opportunity to take the opening set when he was within one point of victory five times in the tenth game. Behind 0-40, Gonzales came back to take that one and finally won the set by capturing the last three games in a row.

After falling hopelessly behind in the second set, Talbert coasted through its latter stages to conserve his energy.

Talbert took four of the first five games in the final set and won the first three points of the sixth game on Pancho's service. Again Gonzales made an almost impossible comeback, pulling it out to start a three-game streak.

Finally, with the set knotted at 7-all, Gonzales broke through when Talbert netted the deciding point and held his service on the 16th game to complete the triumph.

The height of a cloud now can be determined accurately from aircraft in flight by means of a simple device, a modified illuminated gun sight, developed by the Army Signal Corps.

Only Connie Mack has been in the game longer. The venerable Philadelphia Athletics' manager broke into the majors in 1887.

Rates Williams Tops  
"He was catching for Pittsburgh," Duffy says, "You know, he was a pretty smart catcher. And when the hitter was in a tight spot with two strikes on him, Connie might reach up and tip his bat now and then. So this time in Pittsburgh I had two strikes on me and I turned and said: 'Connie, so help me, if you tip my bat I'll take a swing at you if it's the last thing I do in baseball. We've laughed over that many a time.'"

Duffy rates Ted Williams as the greatest of modern hitters and adds that Ted would have been a great hitter in his day too.

"The greatest batter of them all was Cap Anson, my old boss in Chicago," Duffy says. "He could do everything. Why do you know he struck through an entire season without striking out? And he was no cheese hitter, either. He was the slugging type of batter."

Bradley Back After Operation  
Fred Bradley is back after a knee operation, could be of service. Eddie Groth, a 12-12 laborer for Baltimore, and Bob Kuzava, a left-hander and also from Baltimore, are possibilities. Matt Surkont, who can work long and often, is fancied as a relief pitcher.

Gordon Goldsberry will be the first baseman, backed by Steve Souchock, who seems to own a more potent bat. Cass Michaels and Don Kolloway are sparing for post positions at second. Of course it's Appling at short, but there's a youngster—Fred Hancock—from Memphis, who may have the makings.

Appling says he's the only kid shortstopper the Sox have had in many years who appears to know his way around.

At third it will be Floyd Baker, than whom there is no fancier fielder. Unfortunately, his bat isn't as hot as his glove.

Gus Zernial batted .322 for Hollywood last year, has been posted in right field. What he'll do against major league pitching is a question. Up to now has been much.

Seery Casts Big Shadow  
Dave Philley, a fixture, has been playing center, and Gerry Scala left. Scala is a streak on his best, had a trial last spring, went to Memphis where he hit .342. He has definite marks of the big time.

Set Seery, the slugging huffer and puffer, arrived in camp weighing 231 pounds. When the sun shone his shadow almost covered Brookside Park, the Sox Training grounds in Pasadena. Onslow disciplined him by setting a poundage limit he would have to make before he could get into the lineup.

But Patrick will probably be there on opening day. His power can't be spared on the club where such stuff is so scarce.

Former Indian Joe Tipton and Ralph Wiegall are the first and second catchers, with Don Wheeler, a Minneapolis draftee, the third man.

There are your White Sox. Jack Onslow has raised their spirit, but aside from that it's an also-ran team.

## Stranahan Holds One Stroke Lead At 36-Hole Mark

Greensboro, N.C., March 26.—(P)—Amateur Frank Stranahan, the Toledo, Ohio, strong boy shot a two-under-par 69 today to cling to his one-stroke lead at the 36-hole mark of the \$10,000 Greensboro Open Golf tournament.

Defending champion Lloyd Mangrum of Chicago remained in second place with another 69 for a total of 136 which was matched by Dick Metz, Virginia Beach, Va., veteran who posted his second 68.

They, in turn, were only one stroke ahead of three other players, South African Bobby Locke, Sam Snead, White Sulphur Springs, W. Va., and George S. Souter of Ogden, Utah, the PGA tournament bureau manager.

But the real fireworks of the day's play over the 6,630-yard Starnum Country club course were touched off by the largest player in the tournament and one of the smallest.

Burly Clayton Heatner, 235-pound Charlotte professional, and 140-pound Jerry Barber of Los Angeles exploded record-breaking 65s for 138 totals where they were joined by Johnny Palmer, Badin, N.C., who fell off to 71 today.

## Onslow Not Used To Being With Loser But He Will Be By The End Of This Season

By CHESTER L. SMITH  
NEA Special Correspondent  
Pasadena, Calif.—(NEA) Jack Onslow, a gentleman of baseball's old school, came up from Memphis to manage the White Sox, saying he wasn't accustomed to being connected with a loser.

He'll be used to it before the summer is finished.

With a new deal in General Manager Frank Lane, former president of the American Association, and a fresh field force to replace the ill-starred regime of Ted Lyons, the Sox are looking up. But they're still tabbed for the American League's second division.

"I think we've improved our outfield," Onslow says. "We have some fellows who can go after the ball and be reasonably sure of getting it. Our catching won't be bad. There's hope for the infield."

"That means the burden of proof lies with our pitchers. If we can make progress there, we'll not be kicked around."

The question mark with Chicago's South Siders this year is, where are the runs coming from?

Appling Starts 19th Year  
There was only one better-than-300 hitter on the club last season. He, you would know, is Luke Appling, who hit .314 in 139 games.

Appling is starting his 19th campaign with the Comiskeys. It may not be true that Grand Canyon was only a scratch in the ground when Appling broke in, but it seems that long ago.

And he's as spry as ever, but no one has ever been able to do it alone. It will be a big lift if Floyd Bevens, who came within one out of pitching a no-hit game for the Yankees in the World Series two years ago, can come back.

So far his feature performance has been to slice his weight from 260 pounds to 214. Bevens can pitch—or could. Maybe he can again.

There are your White Sox. Jack Onslow has raised their spirit, but aside from that it's an also-ran team.

## '48-'49 ISD BASKETBALL TEAM

Show above is the '48-'49 Illinois School for the Deaf basketball team, which recently completed one of the most successful cage campaigns in the history of the west-end school. The Tiger basketball team, under the leadership of Kenneth "Spike" Wilson and Art Yates, wound up the past season with a won-lost record of 20-9.

The Wilsonmen, besides claiming the city prep school championship, finished in a dead heat with Chambersburg for top spot in the P.M.B.C. conference with a 6-1 record. They nabbed second place in the conference tourney, finishing in the wake of Chambersburg. The Tigers clinched a successful campaign when they upset Paul Stroud's local Routt quintet in the initial game of the Regional tournament, on the west-end planks, and advanced into the semi-finals before being dumped by their 'old nemis' Chambersburg, again.

Leo Cecil, with a 428 point total in 29 games, was the leading scorer on Wilson's combination. Other letter-winners, and their home towns, included Alta Hood, Eldorado; Irvin Carlstedt, Chicago; Stanley Kwiatk, Chicago; William Yates, Savanna; David Early, New Douglas; Homer Nunes, Jacksonville; Oliver Hoffman, Aurora; Gilbert Paul, Pana; and Edward Raffel, Chicago. Yates and Cecil were co-captains of the team.

## Russian Hero, 66 To 1 Shot, Wins 103rd Grand National Racing Event

Aintree, England, March 26.—(P)—An unsung 9-year-old gelding named Russian hero jumped like a stag today to capture the 103rd Grand National Steeplechase in a runaway finish.

His trainer didn't figure the horse had a chance—even debated with his owner about starting. The owner, William Fearnall Williamson, reasoned otherwise. Months ago bookmakers thought so little of Russian hero that Williamson was able to get 300 to 1 on a \$40 bet.

Russian Hero, who went off at 66 to 1, snatched the lead on the next to last fence and scampered home eight lengths in front of Roimond, a 22 to 1 shot. His \$37,888 purse joined the \$12,000 Williamson tapped from his bookie.

The totalisator payoff on Russian hero, picked only by the morning communist paper, the daily worker, was \$81.10 for a 40 cent bet—nearly 203 to 1. The bookmaker price of 66 to 1 represented a drop from 100 to 1, quoted at the final call over on the horse last night at London's Victoria club.

Another length back of Roimond in third place was the 18-1 chance, Royal Mount, with the 7-1 favorite, Cromwell, a well-beaten fourth.

The hundreds of Americans present in the great crowd, estimated at 300,000 to 500,000, got only a short run for their money out of two York entries.

Replica, in the blue and red silks of Richard K. Mellon of Lionier, Pa., tumbled at the fifth jump. Then Caddie II, making his second national try for owner Paul Mellon of Washington, succumbed to the murderous seventh barrier.

Only 11 horses out of the field of 43 starters lasted through the suicidal run of four miles, 856 yards—the world's toughest racing test.

One of those who failed, the 11-year-old Bora's Cottage, was killed in a tumble at the 11th of the 30 fences.

Firm, dry turf and a windless day helped Russian Hero post one of the fastest times in the history of the race. Ridden by Jockey Leo McMorro, he crossed the line in 9 minutes, 23 and 4/5 seconds. The record of 9:20.2/5 was set in 1934 by Golden Miller, and equalled in 1940 by Bogskar.

Flaming steel was injured when he stepped on a sharp post in one obstacle, but gallantly finished fifth. Six more chasers completed the rugged course in this order: Happy Home, Tonderman, Lucky Purchase, Bricket, Clyduffe, and Perfect Night.

Barrows, gilts and sows all ended steady to 25 cents lower. Eastern order buyers were practically out of the market, which had a weak undertone most of the week. Heifers, cows and vealers advanced. Bulls declined. Light weight steers and heifers held steady while those weighing more than 950 pounds eased.

Starvation runs continued to feature sheep trading. A top of \$30.75 was the highest on record for lambs, although spring lambs were higher last year. Prices advanced 50 to 75 cents as receipts fell to less than half those of a year ago.

New York Stock Market  
New York, March 26.—(P)—Faint signs of improvement appeared today in a dozing stock market.

Demand was far from aggressive but pains running to around a point were postponed for merchandising, aircraft, railroad and other selected issues.

Turnover was small even for a Saturday. Transactions during the first hour amounted to only 90,000 shares and business for the full session ran at the rate of around 250,000 shares.

Higher prices were paid most of the time for Montgomery Ward, Sears Roebuck, Woolworth, Douglas Aircraft, Glenn Martin, Lockheed, Plymouth Oil, Santa Fe, N. Y. Central, Pennsylvania, Southern Pacific, Southern Railway, Chrysler, Firestone, International Paper, Paramount Pictures, Twentieth Century-Fox, and International Nickel.

Balky spots included U. S. Steel, Oliver Corp., Allied Chemical, Gulf Oil, and American Woolen.

Comparatively active in the bond market were Third Avenue adjustment 55' up about 1 point. Business elsewhere was negligible.

Isaac M. Singer was the first successful sewing machine manufacturer.

## Grains, Soybeans, Lard Off; Market Fails To Rally

Chicago, March 26.—(P)—Grains, soybeans and lard turned downward on the Board of Trade today. The market opened weak and showed no ability to rally, extending its early losses later in the session.

While dealers were not very active, persistent selling pressure was present in all pits.

Chief factors in the selling of wheat were widespread rains over the winter wheat belt, which caused selling of new crop deliveries, and trade reports that the Commodity Credit Corporation was no longer interested in buying wheat in store at terminals. This latter report caused selling of May wheat.

There seemed to be considerable confusion about the CCC buying policy. Some sources said the government agency was still making offers for grain at interior terminals. In any case, it definitely was still buying for delivery at Gulf of Mexico ports.

An increase in cash corn receipts unsettled that grain, as did reports more high moisture corn was on its way here. Oats followed other cereals lower. Weakness again developed in lard deliveries, although loose lard was said to be in better demand.

Wheat closed 1-11 lower, May \$2.14-2.14, corn was 1-11 lower, May 1.31-1.31, oats were 1-8 lower, May 68 1/2, rye was 1 to 2 cents lower, May \$1.26 1/2, soybeans were 1 1/2 to 2 cents lower, May \$2.12 1/2-2, and lard was 27 cents a hundred pounds lower, May \$11.00.

Receipts of grain in carlots here today: wheat 3, corn 77, oats 32, rye 1, barley 40 and soybeans 6.

St. Petersburg, Fla., March 26.—(P)—The Boston Braves rallied for five runs in the seventh inning today to come from behind and defeat the New York Yankees, 5-3.

Alvin Dark drove in two runs in the fifth frame with a triple, and catcher Bill Salkeld added another paid with a double. Clarence Marshall was the victim of the Boston uprising, giving up all five runs.

Northey's three-run blast off Russ Meyer tied the score at 6-6. Then, after two were out Del Ennis dropped a fly and Nippy Jones tripled home the winning run. He tallied a moment later on a single by Tommy Glaviano.

## Illinois Squeezes By Oregon In NCAA Consolation Battle

BULLETIN  
Seattle, March 26.—(AP)—With Alex Groza as chief gunner, piling in 25 points, Kentucky remained National Collegiate basketball champion tonight by crushing Oklahoma A. & M., 46-36.

Seattle, March 26.—(P)—The University of Illinois came from behind to squeeze past Oregon State college tonight 57-53 and earn third place in the National Collegiate Athletic Association's basketball finals.

After holding a handy 28-19 half-time lead the Illini lagged in the second half. The persistent Beavers, led by Forward Cliff Crandall, drew ahead, 42-41, at the midway mark of the second half.

Crandall followed this up with a free throw to make it 43-41 and his mate, Dick Ballantyne, flicked in a one-hander to boost it to 45-41.

Bill Erickson, Illinois guard, knotted the count at 51-all with a one-hand toss with three minutes left.

In the last three minutes of the Big Nine champs lost three of their stars on personal fouls—Capt. Dwight Edelman, Wally Osterkorn and Fred Green.

However, before he left the game, Osterkorn put the midwesterners out in front at 53-51. Alex Peterson countered with a one-hander in the last minute to tie it at 53-all but Walt Kersuls came back immediately with another field goal to give the Illini a 55-53 lead.

Forty seconds before the final gun, Dick Foley made it certain with a lay-in that brought the count to the final, 57-55.

**By ELIZABETH R. ROBERTS**

**THE STORY:** With the housing shortage early in the war, Mr. and Mrs. Roberts admit a paying guest, a sergeant they call Roger the Lodger. Roger takes over, names himself one of the family, drives the family car everywhere, including into a ditch. Heaps Mrs. Roberts in the kitchen and invites guests, including a general and a major, to dinner.

**VI**

SOME people's hackles rise and warn them when they are being made use of, and they say NO. My hackles rise all right, but all they do is to turn my neck red because I can't say no. I can cat-step all around an issue, hint like crazy, and end up leaving the final decision to my opponent.

As we washed the dishes, Roger said, "You know, Lee, you mustn't lean on me too confidently. There's no certainty of my being stationed here forever."

"No?" I said hopelessly.

"No," Roger echoed gravely. "I've been thinking you should meet some of the men I think you'd find congenial. Our colonel, for instance."

It startled me that the paucity of our friendships was so apparent. Rob would have been born in Montana except that his mother elected to spend that winter in Florida. He'd grown up with the native sons, however. During the 15 years I'd lived in our town, somehow I'd been invited to join the top-flight sewing circle, dancing club, literary club, music club, travel club, contract bridge club, the Junior League, and several other organizations. But Roger plugged on, "Colonel Morris is free tomorrow night. I suggested he hold the evening until he heard from me."

In spite of Roger's starved childhood, in spite of his uniform and potential as a hero, I was about to address him with some well-chosen words—when Rob came in to the kitchen to hear what all the conversation was about. Roger told him. I tried to fix Rob with

a fish eye, but he ignored me. "Give him his party," he said. "Not so fast. We haven't any red points," I gloated.

"What about chicken?" Roger asked.

"Robbie hates chicken. Got too much of it in France."

"That's all right," said the man who'd sworn to protect me, "chicken'll have to do if it's all you can get."

Rob was learning, though he had been opposed to taking in a roomer, was pathetically glad to have a boy around the house again. It seemed to fill some of the hollow left by Bill's absence. Though Roger often tried us to the limit, he managed not to try us both at the same time; what drove me to distraction, Robbie waved aside as unimportant, when Robbie was burned up, I felt reasonable. We could have liquidated Roger in a hurry if we'd ever thrown in together, but we didn't.

We had Colonel Morris to dinner, also his secretary; without her, it seemed, he could not eat. The urgency of including Miss McGillicuddy was so impressed upon me that I half expected her to arrive carrying a typewriter for fear Colonel Morris should suddenly be taken with a letter. Also we had Colonel Morris' adjutant and his girl, and her sister.

We never again heard from Colonel Morris, or from his secretary, or from the adjutant and his girl, or from her sister, but three weeks later Roger was recommended for Officer Candidate School.

Roger was perpetually alerted to opportunity, whether for personal pleasure or personal advancement. We didn't fully recognize this quality until he had exercised it a good many times at our expense. Hence, when he bore down on us with the news that the National Parks were closing at the end of the current season to remain closed for the duration and that he'd heard of Old

Faithful all his life and that Major Drummond—

"MAJOR DRUMMOND!" Rob echoed. "How'd he get in the picture?"

"Headquarters Company," Roger acknowledged

## Centralia To Hold Memorial Service For Killed Miners

Centralia, March 26—(P)—The cold searching by science for facts and memorial services, like the one Sunday, keep the Centralia mine disaster in the news.

The community high school service Sunday memorializes the 111 miners who perished in the explosion two years ago, while scientists study it with a view to preventing future disasters.

The United Mine Workers' Illinois chief, Hugh White, heads a number of state UMW officers who planned to attend the second memorial rites. Sunday has been proclaimed a memorial day by the mayors of Centralia and adjacent Wamac, where the mine is located.

One of the latest scientific reports on the March 25, 1947, blast appeared in a recent journal published by the national research council of the National Academy of Sciences, Washington, D. C.

## State Interracial Group Asks Civil Rights In Charter

Springfield, Ill., March 26—(P)—The Illinois interracial commission today called for state constitutional revision to assure greater protection for civil rights of minority groups.

The commission in a report to the legislature also backed up an earlier subcommittee recommendation urging enactment of a fair employment practices law.

Headed by Dr. Martin Hayes Bickham of Wilmette, the 20-member group was created by the 1947 general assembly to study means of wiping out job discrimination and of promoting racial and religious tolerance.

The report told of discrimination against negro and Jewish job-seekers, doctors, students, vacationers and persons seeking dental and medical care.

## Hold Hullinger Rites In Bluffs

Bluffs, March 26—Funeral services for Marion Hullinger were held Friday afternoon from the Bates Funeral Home in Bluffs with Rev. Perry E. Sherwin, assisted by Rev. Kenneth Douglas, officiating.

Interment was in Green Cemetery.

## Samuel T. Lawton Appointed Head Of Armory Board

Springfield, Ill., March 26—(P)—Samuel T. Lawton, Chicago lawyer and former commander of the 33rd Infantry division, today was appointed chairman of the Illinois armory board.

Lawton was named by Governor Stevenson to succeed the late Roy D. Keen.

As a major general in the Illinois national guard, Lawton assumed command of the 33rd division in June, 1940. He retained the post after the division entered federal service and until early in 1942.

He was retired from active duty with the U. S. army in 1945 and from the national guard in 1946.

The armory board is a state authority empowered to issue bonds and build armories. The buildings are rented to the state, which eventually obtains title.

## Chapin Lutheran Church Gives To New Hospital

Members of the congregation of St. Paul's Lutheran church, Chapin, Ill., have donated the Out-Patient department to the New Passavant Memorial Area Hospital, Chester Colton, general campaign chairman, announced Saturday. Rev. Harry Timm is pastor of the church.

Upon making this gift, the individual members have waived their right to sponsor memorials, merging their gifts into a total sum sufficient to set this beautiful memorial in the name of the church.

"These fine people and their pastor," Mr. Colton said, "have furnished us an inspiration through their gift. They have set a pattern which undoubtedly will be followed by many other congregations who will support the new hospital. The memorial committee will welcome such gifts."

## Poems Featured On Program For Youngblood Aid

A group of poems highlighted the program given at the meeting of the Youngblood Ladies' Aid society held at the home of Mrs. Irene Whitlock.

The poems included "Traveling" by Mrs. Ida Vedder; "Garden Seed," by Ehel Newingham; "The Knock-er," by Ruth Ella Vedder; "Keeping Beauty," by Bonnie Vedder; "Grandmother's Keepsake," Frances Mutch. Also featured on the program was group singing, prayer by Vena Sorrells, scripture by Irene Whitlock, article, "Jesus Won the Lost," by Lula Vedder.

The roll call topic was "Thought for Today." Seven members and eight guests, Miss Bonnie Vedder, Miss Marjorie Mutch, Mrs. Ruth Ella Vedder, Mrs. Beulah Mutch, Charla Mutch and Lawrence and Harry Whitlock were present.

The next meeting will be held April 27 with Mrs. Ida Vedder.

## Four Automobiles Are Damaged In Single Collision

One person was injured and four cars were damaged in an automobile accident about 9 o'clock Saturday night in the thirteen hundred block on South Main street near the hospital gymnasium. Three of the cars were parked near the curbing on the west side of the thoroughfare.

According to police officers Francis Willner and Ernest Smith, who responded to the call, a car driven by Clarence Henry of Jacksonville, Route five, which was travelling south, rammed into an automobile owned by William L. Gunnels of 300 North East street.

Gunnels, who was seated in the car, received a bad cut on his right leg.

The force of the impact drove the Gunnels car into one owned by Mrs. Beulah Phillips, 218 South Church street, the Phillips car in turn was driven into a blue Chevrolet sedan owned unknown.

The Phillips car and the Chevrolet were not occupied.

The Henry and Gunnels cars were towed to the Lukeman and Brummet garages.

Henry was taken to the police station for investigation.

## Murrayville Lady Feted At Shower

Murrayville—Mrs. Lyndall Symons was feted at a pink and blue shower at the home of Mrs. Herman Baker in Murrayville Thursday evening. Mrs. Baker was assisted by Mrs. Waldua Bealwear.

Mrs. Symons was the recipient of many lovely gifts.

Bridge was the feature entertainment during the evening. Prizes were awarded to Mrs. Symons, first; Mrs. John Cully, second; and Mrs. Reginald Graham, third.

Guests present included Mrs. Bruce Thomson, Mrs. Harold McCarty, Mrs. Keith Peabody, Mrs. John Cully, all of Jacksonville; and Mrs. Reginald Graham, Pittsfield.

Delicious refreshments were served by the hostesses.

## Several Persons Are Questioned; Some Are Held At City Prison

City and county officials continued their investigation Saturday night into the death of Samuel Mack K. Chaudoin, 71, sometimes known as Mack Owens, whose brutally beaten body was found Saturday morning in a blood splattered three room house at 334 East Washington street.

State's Attorney Albert W. Hall, Assistant State's Attorney William T. Wilson and Chief of Police Frank D. Kiloran, questioned more than a dozen acquaintances of Chaudoin Saturday afternoon and evening. Several persons who are expected to testify at an inquest to be conducted by Coroner Clarence H. Muehlhausen Monday morning, were being held at the city prison.

## Autos Collide At W. Wolcott-N. East Crossing

Automobiles owned and driven by Walter L. Watkins, 816 E. College and Howard Borchering, RR 1, collided at the W. Wolcott-N. East street intersection early Saturday evening.

According to the report given local police officer Runkel, Watkins was driving his 1937 Plymouth north on N. East street and Borchering was touring east on W. Wolcott in his 1931 Buick sedan. Both parties failed to stop at the intersection and collided.

Raymond Spires, 227 E. Dunlap, a passenger in the Watkins automobile, sustained minor injuries in his left eye. The right side of Borchering's auto was damaged, and the Watkins vehicle was towed to the Lukeman garage.
